Dear USDA:

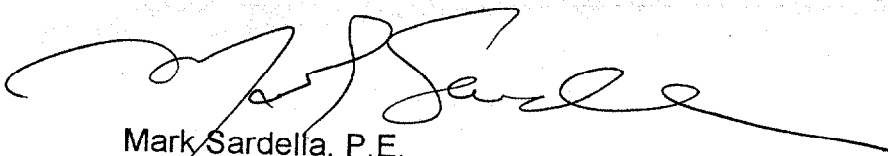

Regarding the new USDA rule allowing irradiation of eggs,

ARE YOU PEOPLE SICK? IRRADIATE EGGS? HOW CAN YOU LIVE WITH YOURSELVES? HAVE YOU NO SENSE AT ALL? DON'T YOU THINK THIS HAS GONE FAR ENOUGH? HOW MUCH LONGER DO YOU THINK WE, AS A SPECIES, CAN STAND THIS SPINELESS COW-TOW-TO-INDUSTRY WAY OF LIFE?

As a human fortunate enough to be both literate and educated in science, I can be careful to avoid irradiated eggs. But on behalf of all the less educated and illiterate folks, let me deliver this message to you:

WHAT YOU'VE DONE IS EVIL, AND YOU SHOULD BE ASHAMED OF YOURSELVES.

With no regards at all,

Mark Sardella, P.E.
Santa Fe, NM
